October, 2025 - Present

- Web Development**

Design and Technology Institute | Accra, Ghana

*December, 2023 -
September, 2025*

- Visual Arts**

Islamic Senior High | Kumasi, Ghana

SKILLS

HTML5

CSS3

JavaScript (ES6+)

UI/UX Design (Figma)

Version Control (Git & GitHub)

Problem Solving

Team Collaboration

PROJECTS

- **Edanso Portfolio**

Designed and developed a responsive portfolio website for a client while strengthening my front-end development skills. Focused on clean design, intuitive navigation, and mobile responsiveness.

- **Patriotism website**

Designed and developed an educational website that promotes Ghanaian culture and traditions. The project showcases Ghana's heritage through a modern, responsive interface while demonstrating proficiency in HTML, CSS, JavaScript, and UI/UX design.
